

## About Us

SevenClaps Exports Pvt. Ltd. is a dynamic FMCG exporter dedicated to delivering quality and innovation across global markets. Specializing in household cleaning products, personal care essentials, and cosmetics, we are committed to creating everyday solutions that enhance hygiene, care, and lifestyle. Built on trust and customer satisfaction, we pride ourselves on maintaining high-quality standards, competitive pricing, and sustainable practices. While our current focus is international exports, our vision is to soon establish a strong presence in the domestic market, bringing world class products to households across India.

### Vision

To be a globally recognized FMCG brand that delivers affordable, high-quality, and sustainable products in household care, personal care, and cosmetics improving lives and setting new benchmarks in consumer trust.

### Mission

SevenClaps delivers safe, innovative products that meet global standards, with a commitment to sustainability, ethical practices, and evolving consumer needs aiming to be a trusted name in homes worldwide.
